

QuietCall Church Nursery Paging System

- Great range for clear, reliable communication anywhere on campus
- Anti-theft feature minimizes pager loss with an out-of-range alert
- All call alert informs all parents at one time to pick up their children

Grow Your Church Membership

Bring more families with young children to your house of worship with the help of

QuietCall. This paging system allows parents to leave children with the nursery and attend the service with peace of mind. Parents are instantly notified via pager anywhere on the church campus if they are needed back at the nursery in the event of an emergency.
