

Retail Paging System

GuestCall®

Keep Customers Shopping, Boost Sales and Service

Transform the customer's waiting experience into an enjoyable one with a GuestCall retail paging system. GuestCall notifies customers with a flash, beep or vibrate the instant their order is ready or service is complete. Eliminate long lines and noisy overhead systems. GuestCall helps you be more profitable by giving customers the opportunity to shop while they wait.

Use GuestCall to page staff when a customer needs assistance or staff needs help from management. Cashiers can page managers for change, approvals or to request help with a customer. With GuestCall, you'll easily manage your traffic flow and create a smoother and more efficient service.

GuestCall silently notifies customers when their order is ready or when a service is complete, freeing them to shop while they wait.
