Restaurant Paging System

Turn Tables Faster, Generate More Revenue

Turn waiting guests into happy customers with GuestCall restaurant paging system. GuestCall notifies customers with a flash, beep or vibration the instant their table is ready. No need for long lines or noisy overhead systems. With GuestCall, you'll easily manage your guest flow and create a quieter, more inviting ambience.

GuestCall helps you be more profitable by increasing your table turns and sales. Lightweight, convenient pagers free customers to visit the bar or nearby areas for a more relaxing experience. You can also choose from several pager models that best fit your budget. With GuestCall, your staff will deliver faster, smoother, more customer-friendly service.

GuestCall makes waiting a more enjoyable experience for customers.

GuestCall Highlights

- > **Customer-Friendly Paging**
